Senior Will

I, Raymond Beyer, will to the Junior Class Mr. Book's answer book. It sure comes in handy on Fridays before class.

I, Debra Birk, will my basketball shoes to Teresa Book, hope they fit.

I, Frank Birk, will my ability to keep from falling asleep in government class to David Schneider. You'll need it Dave.

I, Juanette Borkowski, will all the fun I've had at Gridley to anybody who wants it. Have fun!

I, Roy Dornes, will my ability to get along with Mr. Book to Rex Williams. Take it easy on him, Rex, and Mr. Book will be easier on you.

I, Beverly Eccles, will my tallness to Rick Young. Take care Rick in going through doorways.

I, Nancy Guisinger, will the Burlington Boys to the class of '74'. You already have a good start.

I, Leland Kraft, will my little red devil to Mike Bahr. Keep him warm and he will stay healthy.

I, Randy Kraft, will my cowboy boots to Richard Beyer. You never know when they will come in handy for something.

I, Terry Kraft, will my can of firm grip to Mr. Birkbeck. Maybe he will be able to hold on to his chalk better next year.

I, Roger Redding, will nothing because someone will get everything I have anyway.

I, Donna Somerhalder, will my great philosophical comments to ever haunt the halls of G.H.S.

I, Lisa Strahm, will my postermaking jobs and all other art work to Sally Snovelle. It's better than studying.

I, Bob Whitsitt, will my ability to crack funnies while the world is coming to an end to David Guisinger.

I, Suzanne Williams, will my ability to grow a mustache before most of the boys do to Patricia Beyer. King George IV mustache wax works best.

I, Vola Young, will my back seat in English to Paula Bahr. It comes in handy when you don't have your chemistry completed.

Tomorrow. . .

We learn not only for today, but also for tomorrow.
We prepare ourselves for tomorrow's experiences, its joys and disappointments.
We initiate friendships that last into the future, and we develop artistic and musical talents that guide us through other tomorrows.

Senior Photographer: Suzanne Williams
Junior Photographer: David Birk

Our staff bought an enlarger this year, thus enabling students to process and finish their own photos. Dave Birk, junior photographer, spent many hours developing pictures for use in the 1972 Yellowjacket.

Advertisers finance our yearbook almost 100%. So--a grateful THANKS to the businessmen and friends for helping make this book possible. Top salesmen, Robert Bahr, Phil Strahm, Dave Birk, Suzanne Williams, and Mrs. Norman, sponsor, toured the Intercollegiate plant in Shawnee Mission, through the courtesy of Mr. Banz. The staff hopes you enjoy your yearbook. May it help recall pleasant memories.

The Gridley Yellowjackets started the 1971 football season determined to improve on their one win, eight loss performance of the previous season. The Jackets started the season with a disheartening 12-6 overtime loss to Olpe. After a walloping 41-0 loss to Burlingame the Jackets regrouped and defeated the Melvern Panthers 6-0. The Jackets turned in an astonishing 9-0 win over the heavily favored Williamsburg Panthers. The Jackets took the lead against the Lyndon Tigers 7-0 but couldn't hang on and fell to them 29-14. Homecoming was a tremendous success as the Waverly Bulldogs fell to Gridley 19-8. Pomona provided the Jackets with a pride-damaging 33-0 shellacking. The Lebo Wolves ran by the Gridley Yellowjackets 22-7. In the season's final the Yellowjackets bombed the favored Madison Bulldogs 22-0.

In the season Gridley finished with a four win, five loss record, the best the Jackets have recorded in many seasons.

GIRLS TRACK

The Gridley Girls Track Team participated in four track meets this season. They won the Burlington Invitational Track Meet, then fell victim to an over burden of school activities, were unable to practice regularly and finished with a disheartening fourth place finish in the league meet.

Most Valuable Player award was given to Nancy Guisinger. Nancy scored 29 points to lead the team in scoring. Nancy ran the 75 Yd Dash, the 100 Yd Dash, and anchored the 440 and 880 Yd Relays. Nancy qualified for the finals at the Regional Track Meet in the 75 and 100 Yd Dashes, but was unable to finish in the top three to qualify for the State Meet.

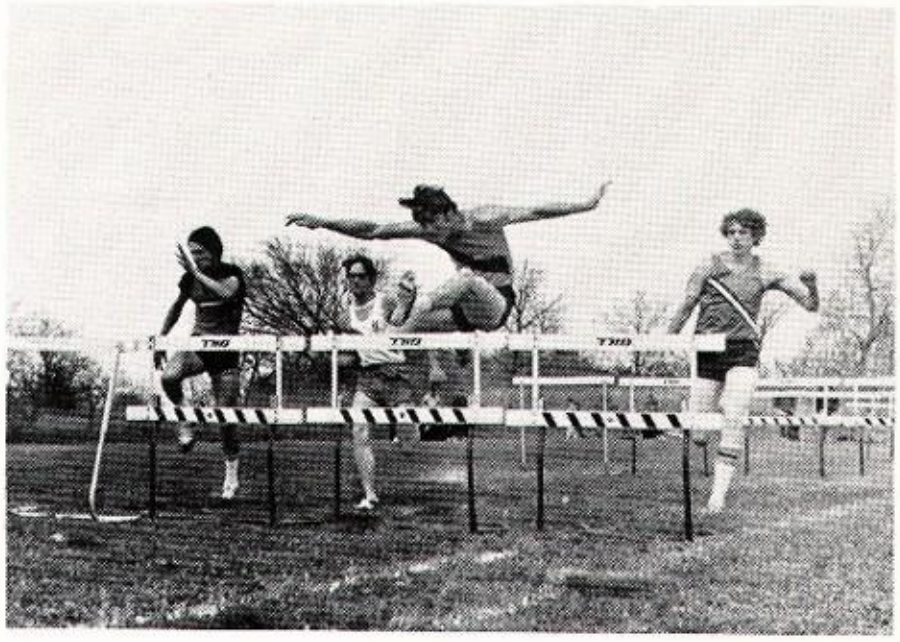
BOYS TRACK

The 1972 Gridley Boys Track team carried into the spring the upswing of Gridley athletics, these athletes started this trend during Football and Basketball season. The team broke and established eight school records. They finished fourth in the Burlington Invitational and brought home a third place trophy from the Lebo Invitational. They made a respectable 8th place finish at the Burlingame Invitational out of 18 schools entered, many of which were 2-A schools.



The Most Valuable Player award was given to Randy Kraft. Randy amassed 104 points during the season and won first place at the Regional Track Meet at Emporia. Randy represented Gridley at the State Meet at Wichita in the 180 Yd Low Hurdles. During the season, Randy was in the 120 Yd High Hurdles, winning third in the league; in the 180 Yd Low Hurdles, winning 1st in the league; 1st in the Regional Low Hurdles; and setting a new school record in the event of 20.7 sec. Low Hurdles. Randy also anchored the 880 Yd Relay which set a new school record and finished second in the league. He also anchored the Mile Relay which once again set a new school record and finished second in the league.

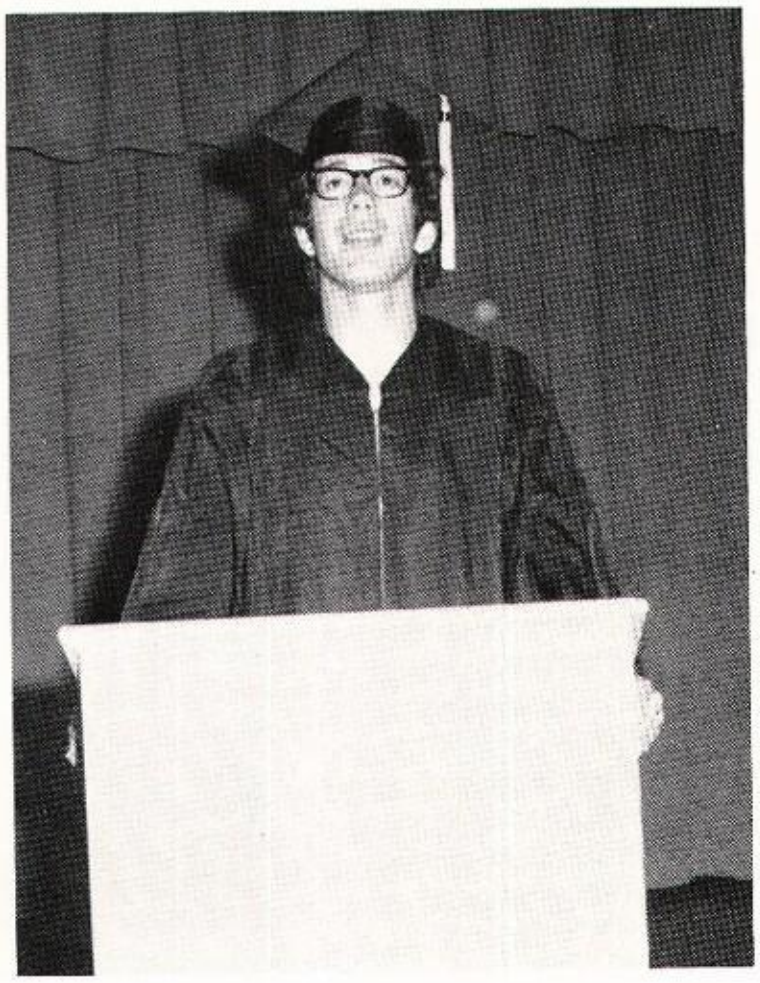
Mr. Terry Kraft



Valedictorian

Good evening, Ladies and Gentlemen,

"Tonight marks the end of our apprenticeship to life. So far, most of what we have learned has come from listening and following examples. From now on we will learn from doing and we will be setting the examples.

During the last twelve years, we have learned a lot, but still we have a lot to learn. I'm sure that what we have already learned will enable us to acquire more knowledge.

Tonight also ends the fun we've had at school, the thrills and disappointments at ball games, and all of the other school activities we've participated in.

It seems as though we are leaving everything behind, but not really. This ends just one stage of our life. Now we will be getting out on our own, meeting new friends as well as new responsibilities.

We have suddenly changed from a child to an adult and we must be ready to face and cope with the problems we will encounter.

I would now like to thank the parents, teachers, and all of the other people in the community that helped us when we needed it." Thank you. "

Salutatorian

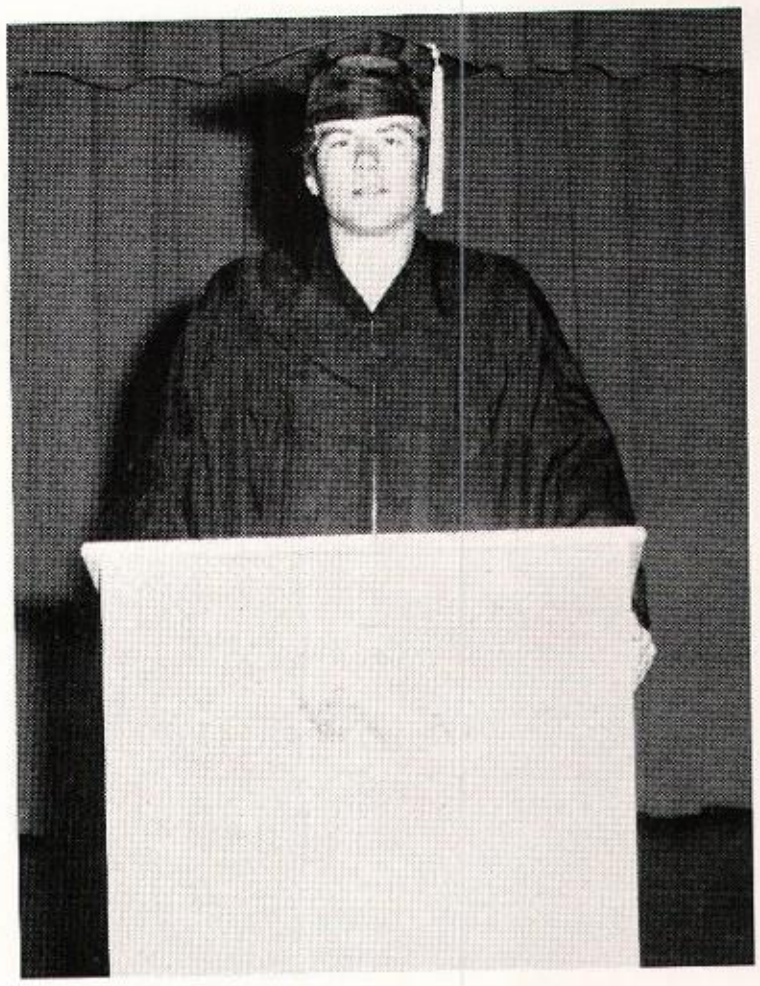
"Tonight is the ending of twelve years of good fun and hard work. During these years we have been taught what the world outside is like, and we have learned how to cope with this world.

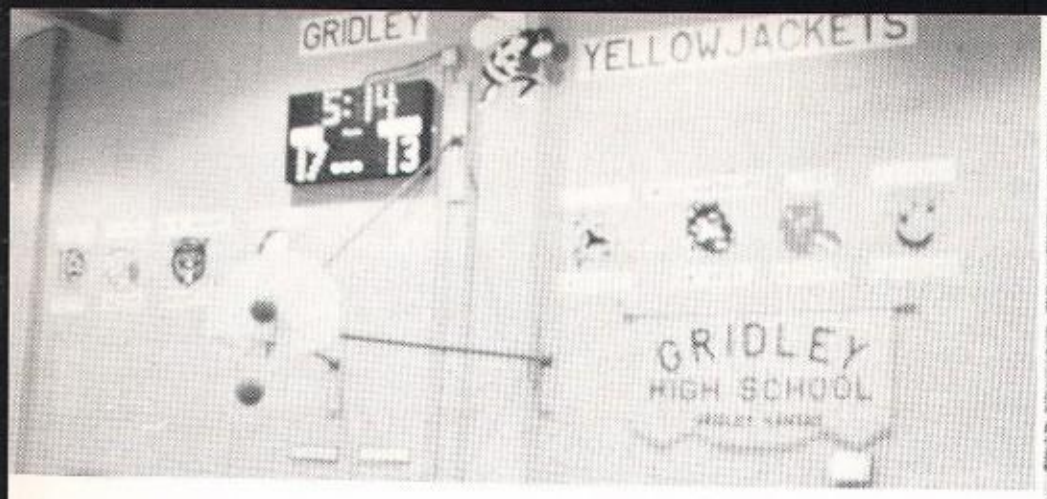
During the past we have been restricted and now that we are out of school we have the freedom of choosing our own way of life. These past twelve years have been the most important years of our life because during these years we have gained the knowledge to use this freedom properly.

Although we have come a long way, our life is really just beginning. We have a long way to go and our future is ahead of us.

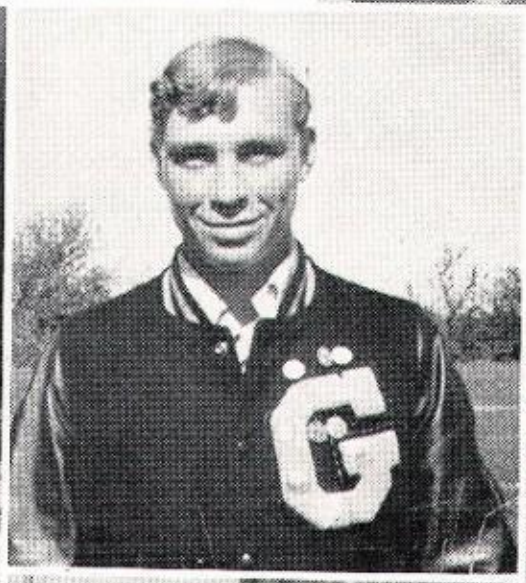
We are going out on our own, leaving our home and friends and gaining new friends. We will be going to college, getting a job, or getting married. Whatever we do we will always remember the people that made this possible, our parents, teachers, friends, and people in the community. To these people I would like to say Thank-you."

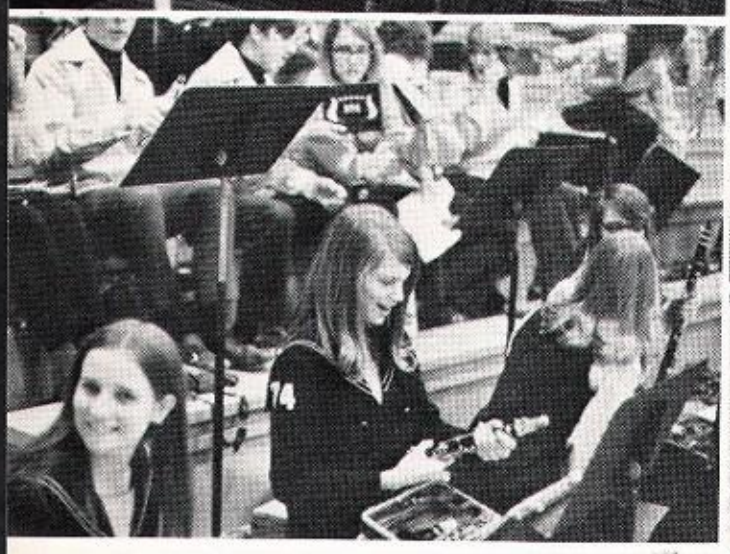
Mr. Randy Kraft

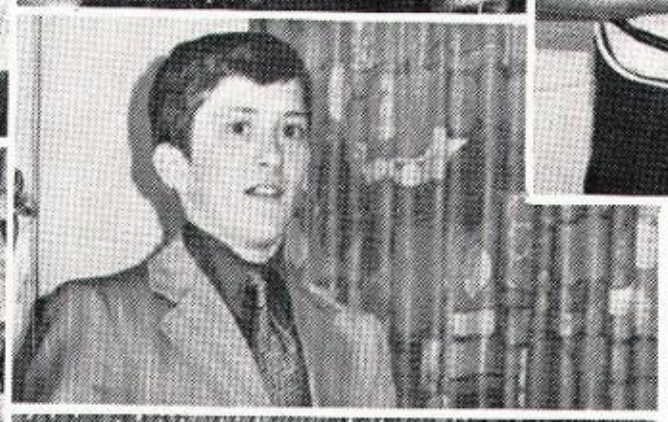




Oh, Gridley High, The school we love,
Oh, Gridley High we sing to you.
Oh, Gold & Black, our colors true,
Oh, Gold & Black of lustrous hue.
God Bless that we, May ever see,
Our way to loyalty to thee.
We'll stand by you the whole way through.
To G. H. S. we will be true.







"Now this is not the end.
It is not even the beginning of
the end. But it is, perhaps,
the end of the beginning."
Sir W. Churchill
